Neverland Dreamers Intern Application

Application for Adults with Disabilities

Serving individuals with employment obstacles through meaningful job training and placement by developing their God-given potential.

We are so pleased you are applying to be a Neverland Dreamers intern! Please refer to the 'Internship Information: Adults with Disabilities' document for more information about Neverland Dreamer's Internship program prior to completing this application. If you are seeking employment and experience other employment obstacles such as being justice-involved, a veteran, addiction recovery, etc., please complete the 'Initial Application for Adults with Employment Barriers'. To assist in meeting our mission and objectives, please take a moment to review the following criteria to ensure the applicant is eligible for our internship program.

Applicants with disabilities must:

- have a diagnosis that includes cognitive or physical disability
- be at least 18 years old or graduate of high school
- be able to take care of his/her own personal needs and self-help (dressing, eating, toileting, etc.) with no or limited assistance while on duty at Neverland Dreamers
- be currently seeking training for community employment
- be able to communicate basic needs verbally or nonverbally and have adequate receptive language
- have the potential to follow multi-step directions
- have the social skills to interact positively and appropriately with others
- have no significant behavioral needs
- must be medically stable; have no uncontrolled medical diagnoses that would require a nurse or emergency services
- be able to ambulate with or without an assistive device or independent use of a wheelchair
- have reliable transportation to and from Neverland Dreamers
- have a social security number
